# News Makers Of Marion-Franklin

*It is the concern of all who are a part of the arena of learning to be aware of the world which is filled with unrest, uncertainty, diseases, social and economic problems, corruption in politic, a lack of honesty and love that the 1987 Yearbook Staff choose as its theme "THE WORD IS OUT" with the intention of sharing the good things that have occurred at Marion-Franklin High School during the 1986-87 school year.*

*We trust that the readers will visualize the theme through the photos and articles that have been placed in this book as a memorial to the 1022 students who passed through the doors of Marion-Franklin High School where they gathered to learn and prepare themselves for the "real world."*

*El Diablo, now shares with you, the graduates, parents, student body, teachers, the city of Columbus, the state of Ohio and the United States of America that THE WORD IS OUT.*

# DEDICATION

## MRS. GENEVA JACKSON

*We are proud to dedicate the 1987 Marion-Franklin's EL DIABLO to Mrs. Geneva Jackson who has served this school faithfully for 24 years in the Foreign Language Department. Presently, she is Chairperson for the Cultural Arts Department which consists of Art, Music, Drama, and the Foreign Languages.*

*Mrs. Jackson leads an active educational life. She is a member of Ohio Foreign Language Association, American Association of Teachers of Spanish and Portuguese, The Buckeye Chapter for Spanish Teachers, The Department of Active Retired Teachers, National Education Association, Ohio Educational Association, Columbus Education Association, Marion-Franklin Academic Boosters, P.T.A., The American Dahlia Society, and The Ohio State Alumni.*

*Other interests include: reading, growing flowers, acting, listening to music, and she loves to see young people develop their talents.*

*Along with these outside interests, Mrs. Jackson has made several tours of Europe which has taken her to Spain, Denmark, Switzerland, and Morocco.*

*Mrs. Jackson is a professional woman, and lives up to Marion-Franklin's motto: "Pride Inside" by arriving early in the A.M. and leaving late in the P.M. as well as giving her all to make Marion-Franklin students to believe that "if it is to be, it is up to me."*

*The 1987 Yearbook staff is very proud to dedicate this year's EL DIABLO to "Mama" and wish her luck and God's blessings in everything she attempts to do in the future.*

- Marion-Franklin students' achievements are recognized through Success Cards; Super Honor Roll, Honor Roll, and Attendance Certificates; and "I Love Marion-Franklin" and "I'm the Proud Parent of an Honor Roll Student at Marion-Franklin High School" bumper stickers.
- All incoming ninth grade students visit Marion-Franklin to assist in their transition to high school. These visits take place in December and January every year.
- New and exciting things are happening with Marion-Franklin's "In The Know" Team. Not only do they still compete at WOSU radio as they have for the past three years, but now they are members of the newly formed Columbus Academic League.
- The 1986-87 Marionettes drill team won the Grand Champion Award at an Ohio State University drill team camp.
- The Academic Boosters recognized the scholastic achievements of Marion-Franklin students through certificates, academic letters, plaques, and trophies. In addition, the Hall of Fame recognizes former Marion-Franklin graduates who have used their academic skills to achieve success in their respective fields or careers.
- A 1986 Marion-Franklin graduate received an appointment to the U.S. Military Academy at West Point.
- Over half of all Marion-Franklin teachers have their master's degrees.
- Marion-Franklin teachers have accumulated over 1100 years of collective teaching experience.
- Through the Adopt-A-School program, Marion-Franklin has formed partnerships with Columbus City Council President Jerry Hammond, Capital University, Georgia-Pacific Resins, Inc., and the Defense Construction Supply Center. The adoption by Georgia-Pacific includes a \$5,000 scholarship given each year by the firm to one of the students.
- Last year's senior class earned over \$150,000 in scholarships and grants.
- Marion-Franklin's strong sports program gives students a chance to compete in athletic events throughout the school year. For example, the wrestling team has won the city championship for four consecutive years.
- Marion-Franklin offers an extensive curriculum that includes courses in language arts, mathematics, science, social studies, health, physical education, art, vocal and instrumental music, foreign languages, speech, theatre arts, home economics, industrial arts, business education, and driver education.
- Marion-Franklin students have the opportunity to use computers in their coursework.

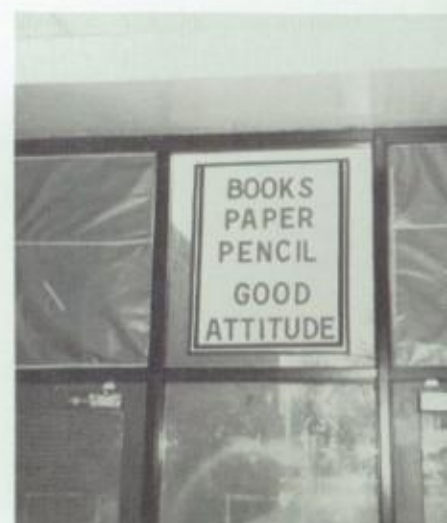

# THE WORD IS OUT

EDUCATIONALLY — BY PHONE

*THE WORD IS OUT. The following events made news by telephone: Marion-Franklin collected \$647.00 for the shoe fund drive, first among city public schools; the Writing Lab, the only one of its kind in the city; the Marketing Education class first places; Mrs. Derrickson's being among the ten top finalists for her "Christmas Story" in the Dispatch. Remembering the past, understanding the present and preparing for the future are possible with BOOKS, PAPER, PENCIL AND A GOOD ATTITUDE.*

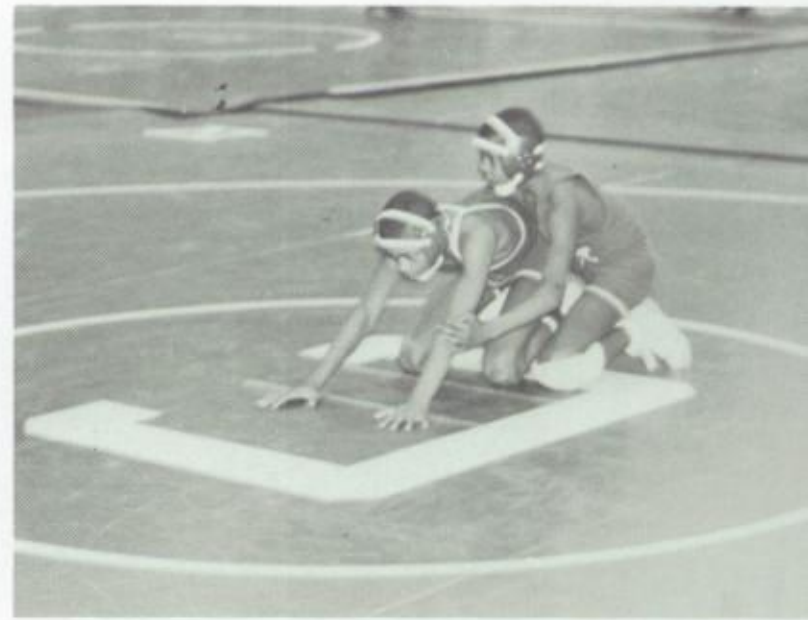

# THE WORD IS OUT

ATHLETICALLY — BY RADIO AND TV

Marion-Franklin's young teams had the skills to excel. Craig Spry, started as a goalie for the Red Devils' in their first season in the City League. The faculty won 36-34 over the seniors to benefit Operation Feed. In wrestling, Marion-Franklin became the first Columbus City School to win five City League championships in a row. Jason Johnson could be called the 1986-87 hero as he led the Red Devils to upsets in football and basketball over Whetstone and South. Led by senior captain Earl Monroe and junior Herb Pinkney the wrestling program was a great success under Coach Ball.

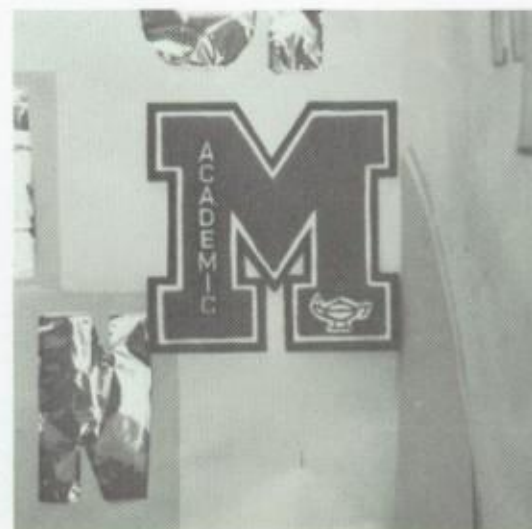

# THE WORD IS OUT

ACADEMICALLY — BY NEWSPAPER

"M" letters that are awarded are based on good grades or top performances in the academics are among the most unique projects at M-F. The Academic Hall of Fame recognizes former students for accomplishments after graduation. For students who attain a 3.5 grade average or better a letter "M" is given the first year, a plaque for the second year, a trophy the third year and a plaque and inclusion in the Student Hall of Fame the fourth year. Corporations that support the academic boosters are the Georgia-Pacific Corp. and the Defense Construction Supply Center. The Neighbor-News South relates academic achievements by M-F students.

# MARION-FRANKLIN'S FIRST SOCCER TEAM

*THE WORD IS OUT* Marion-Franklin's Athletic Department added another sport to the many sports already played here. The RED DEVILS introduced their first soccer team ever to compete with other soccer teams in Central Ohio.

Coach Ned North, who left at the beginning of the second semester, returned to his native state of Indiana, with the assurance that Marion-Franklin's first soccer team would have dedication and determination as they struggled to learn the techniques of the game and compete against some of the finest teams in our area. The soccer team may not have won many games, but their arrival on the sports scene served notice to Central Ohio that the team is a fighter and will be around for a long time. YES, THE WORD IS OUT.

# THE 1986-87 SENIOR PROM

When the WORD was released to the Class of '87, in the combined Senior home-rooms that met daily in the auditorium, that the Prom would be Friday, May 22 at the Hyatt Regency Ballroom on Capitol Square, thrills of joy filled the hearts of the Seniors as they began from that moment making plans for the first social affair that was to send out the words: IT'S GRADUATION TIME.

Shall we dance through these pages which recorded PROM NIGHT events?

There never was a dull moment as the Seniors arrived to dine and dance. It allows for an opportunity to be with that special someone as well as remember the last four years of high school life, both the good times and even the bad time, although the bad times were far and in between. With joy and laughter, this was a night to be remembered.

*With the purchasing of a gown and the renting of a tux, the only problem remaining was what kind of transportation would get the Seniors to the Prom? Naturally, Dad and Mom would let the best car be used to go to the Prom, however, a few distinguish Seniors arrived in limos. Can you remember who came in a limo?*

*It didn't matter as we entered the ballroom to dance the night away. Our thoughts were only about the present, the then, the now.*

# DINING AND DANCING

The Senior Prom was unique to every graduate, because it gave each graduating Senior an opportunity to experience one of life's most desired social events the SENIOR PROM. We will always remember how changed some of our classmates looked because of the high heeled shoes for the girls and the bow ties for the boys. THE WORD IS OUT. It was a nice prom.

As the social event of the year for the Seniors, the spirit catches everyone sooner or later. How startled we were when arriving at the Hyatt was the man from Pluto. His name was Oosur Shaw. Although, he came without a date, he had a good time and enjoyed the SENIOR PROM.

*And now the PROM is over and history has been made by the Class of '87 who until the wee hours of the morning danced their hearts away. Both joy and sadness filled our hearts as we had to depart from Marion-Franklins most prestigious dance.*

*After socializing with close classmates and friends, by groups we departed the Hyatt to go to a fancy restaurant for dessert. It was just an excuse for the guys to get a big breakfast before taking that date home whose eyes had grown heavy and feet tired from dancing. At least, there is one consolation, we can sleep late, but then we must get the WORD OUT to our friends about the good time we had at the PROM.*

# GRADUATION — 1987

## PREPARATION AND PROCESSIONAL

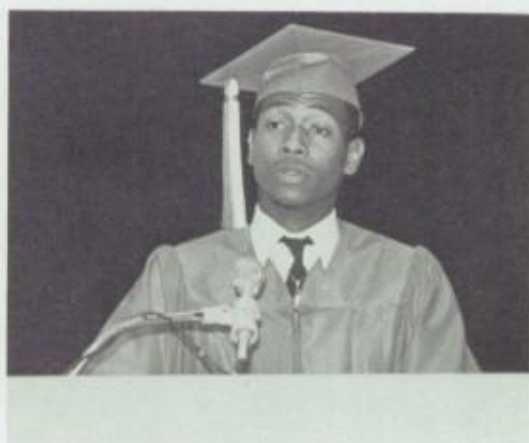

The 1987 Marion-Franklin High School Commencement Program was held at Veteran's Memorial Auditorium on June 6, 1987 at 4:30 P.M. with Mr. Kushen, the principal, presiding. The Symphonic Band directed by Mr. Geedy used for a prelude, "March Lamar" by Clifton Williams.

The excitement mounted as the first members of the graduating class stepped on the stage and headed toward their seats for the singing of the National Anthem, the Pledge to the Flag lead by Senior Class President, Tim Lyles and the Class Prayer which given by Brian Gifford, Senior Class Chaplain.

# PAST REFLEXIONS

*The Senior Choir and Ensemble under the direction of Mrs. Elmore sang "My Wish For You" and "Goodbye Old Friend." Two challenging addresses were presented to the graduating Seniors, the faculty and parents by Brian Gifford entitled "Our Brave New World" and Sharon Lykins who spoke on the subject "Accomplishments: Yesterday, Today, and Tomorrow."*

*The keynote address was given by Dr. Damon Asbury, assistant superintendent of the Columbus Public Schools, who had just been appointed superintendent of Columbus Public Schools to replace Dr. James Hyre who announce his resignation in April.*

*The traditional Marion-Franklin graduation solo was sang by Jerome Ferguson, who received a four year scholarship to the University of Kentucky. The Class of 1987 will always remember Tim's solo "YOU'LL NEVER WALK ALONE."*

# GRADUATION

Following Dr. Asbury's keynote address, cheers and applause thundered through Vet's as Mr. Kushen stated that all candidates had met the necessary requirements for graduation of the Columbus Public Schools and the State of Ohio. A beautiful flora arrangement consisting of plants and flowers, added to the graduation as Mr. Eich began the roll call of the graduates. Mr. Chick and Mr. Terrell, assistant principals, assisted Dr. Asbury, who officially presented diplomas to the Class of 1987.

Mrs. Fitz, assistant principal, greeted each graduate with a red or white carnation as they returned to their seats with their diplomas in their hands and a smile on their faces. THE WORD IS OUT Marion-Franklin's Class of 1987 has graduated.

# GOOD-BYES AND TEARS

Tim Lyles, Senior Class President, performs the traditional "tassel changing" ceremony. Following the playing of the Alma Mater, "MARION. FRANKLIN, THEE WE LOVE," and the Benediction by Brian Gifford, the Class of 1987 recessed into the "real World" with mixed emotions of joy and sadness. Final good-byes, tears, hand shakes and embraces were evident in the lobby as each graduate received congratulation from parents, friends and underclassmen as they departed to take his or her place in today's world.
